Dear Ms. Marsillio:

On January 23, 1989, a compliance inspection of 585 Fan Hill Road, in Monroe, Connecticut, was conducted by the staff of the Department of Environmental Protection's Hazardous Waste Management Section. As a result of the site inspection and a review of documents submitted to this office, the Department is satisfied that the premises has been adequately remediated.

This Approval does not relieve the facility of the obligation to obtain any other authorizations as may be required by other provisions of the Connecticut General Statutes, or regulations of Connecticut State Agencies.

Sincerely,

Stephen W. Hitchcock
Director
